MEYER FAMILY SYRAH

From the Meyer Family, founders of Silver Oak Winery, the 2002 Sonoma County Syrah is an elegant example of this noble variety. It was produced at their artisanal winery, Meyer Family Cellars, along Highway 128 on the outskirts of Boonville. A complex, spicy Syrah, it boasts a moderate alcohol level and has plenty of earthy aromas and red-black fruit flavors to recommend it. Delicious with everything from pork chops to pecorino ... Cheers!
