## MEYER FAMILY SYRAH

From the Meyer Family, co-founders of Silver Oak Winery, the 2003 Mendocino County Syrah is an elegant example of Syrah's potential when grown in the cool climate of the Yorkville Highlands appellation. It was produced at the family's artisanal winery, Meyer Family Cellars, along Highway 128 on the outskirts of Boonville. A rich, spicy Syrah, it boasts a moderate alcohol level and displays the classic white pepper and black and blue fruit flavors of this noble variety. Delicious with everything from pork chops to pecorino... Cheers!
